

JUNE 20TH 2015

NORTHERN DISTRICT RINGING EVENT

The event for June will visit the north of the District.

We hope to combine the fun of an outing with the support given on a training day.

Ringers will be grouped by ability and assigned helpers.

Students and helpers will then travel round to each tower as set out below. Rotherhithe have their open church afternoon, and they are keen the tower will be open and the bells ringing during the afternoon, good publicity for ringing!

The number of groups we can run depends on student and especially helpers that come forward to help. Until we know that, planning is very, very tricky!

But in principle we would like to have:

- Rounds and call changes
- Plain Hunt on its own and to method
- Plain Bob and or Grandsire inside
- Treble Bob Hunting or slightly more advanced.

	2.00 till 3.00	3.30 till 4.30	5.00 till 6.00

What to do **NOW!**

Express your interest to come, especially if you can be a helper.

From there we can plan and set up groups. It should be a fun day but please let us know whether you will be there so we can plan!!!!
